RE: Doe v. The Northwestern Mutual Life Insurance Company
Civil Action No.: 1:17-cv-00510-LDH-CLP

Dear Judge Pollack

We represent defendant, Northwestern Mutual Life Insurance Company, in the above matter. On January 12, 2018, the Court ordered that Northwestern conduct a computerized search and respond to a discovery demand from plaintiff, pursuant to the terms and time period set forth in the Order. The Court also ordered that defendant complete the search or provide a status report of its efforts no later than February 15, 2018. We are pleased to advise the Court that Northwestern has completed the search, and by letter of this date, has provided plaintiff with the results of the search, and a formal response to the discovery demand.

Sincerely,

MC ELROY, DEUTSCH, MULVANEY & CARPENTER, LLP
